14. All services for which compensation is requested by Applicant were performed for and on behalf of the Debtor.

15. The amount requested herein constituted reasonable compensation for actual necessary services and costs rendered by Applicant, based on the nature, the extent, and the value of such services, the time spent on such services and the cost of comparable services.

16. Applicant has not entered into any agreement, express or implied, with any other party in interest, including any creditor, receiver, trustee or any representative of any of them, or with any attorneys for such party in interest in the proceedings, for the purpose of fixing fees or other compensation to be paid to such party in interest in the proceeding for services rendered or expenses incurred in connection therewith from the assets of the estate in excess of the compensation allowed by law. In addition, Applicant states that the fees ultimately allowed by this court will not be shared with anyone except that the fees will become part of the general funds of Steven B. Nosek, P.A.

WHEREFORE, Applicant respectfully requests interim allowance of compensation to Steven B. Nosek in the total amount of \$12,594.55 for fees and expenses from November 25,
